Lancaster County Privy Bags (Journal of the Historical Society of the Cocalico Valley, Volume XXXV, 2010) Clarke Hess

This volume may be the only existing book written on this extremely specific and specialized piece of Americana. Privy bags are Lancaster County's most humble contribution to the genre of Pennsylvania German folk art. Sometimes referred to as "outhouse bags," these utilitarian sewn or quilted bags were used to hold scraps of paper or cloth to be used in the family privy. Now extremely rare and collectible, these pieces have long needed some sort of reference. This book, illustrated throughout with full-color photographs, will be an invaluable addition to the library of the folk art collector. Printed in extremely small numbers by the Cocalico Valley Historical Society, this book itself has become a highly sought-after collectors' item!
