(Not So) Old Men and the Sea covers portions of six years of the author's life, a time when he, his wife and sea dog Bingo experienced first-hand lessons as they prepared for, then negotiated, the legendary Great Circle/Loop of Eastern, Canadian, Midwestern and Southern waters aboard their 38' cruiser, The Family Fjord. In all, they transited over 100 locks, 6000 nautical miles and one over-the-road haul across Wisconsin. NSOM can easily be a blueprint for the novice cruiser who dreams of taking extended coastal or river voyages "on his own bottom." It starts with the glories of cruising and rapidly gets specific about boat, power, options, human factors and experiences, coupled with vignettes of what everyday distance cruising is like. The book features an overriding focus on safety, and author Pete Prestegaard also helpfully includes money-saving tips throughout.
