The Shopify Boss, the road to growing your business and truly becoming your own boss with eCommerce through Shopify.

Have you ever dreamed of running your own business? Have you had one of those days where you didn't feel like getting out of bed but had no choice because of your day job? Wouldn't it be ideal to control when you feel like working? Have you ever thought about having a location independent business? Just imagine if you could migrate to a tropical location in the midst of the deep cold winter months and still operate your business? Wouldn't you be happier, healthier? Life is short; you deserve to have all this! I really believe it's possible to take control of your life and truly become your own boss and live your life dream through running a business with eCommerce. My goal in this book is to show you all the steps required to start and grow your eCommerce business and become your own boss. This book will help you if

● You want to sell a product online but don't know where to start

● You need help breaking the project down and getting started to launching your eCommerce Shopify website

● You need help in how to launch an eCommerce store with Shopify but don't know how to launch

● You launched your business but can't get traffic or sales

● You hear everybody talking about social media but don't know how to start

● You've been in business for two years but still don't see much for sales

If any of these sounds like you I urge you to take the leap and read this book, you will not regret it once you had your store up and running and the sales are coming in.
