You Are Best Friends with a Squirrel and a Dog!?

Yep. My best friends are a sassy little squirrel named Peanut and my Golden Labrador Retriever name Sparky. They are a silly duo that you'd never expect. My neighbors look at me awkward when I take Peanut and Sparky out for a walk on separate leashes. I just smile and wave.

How did you get a pet squirrel?

Now that's a pretty funny story.. He's not really a pet. He's ACTUALLY family now. I've known Peanut since he was a baby. That's what this book is about! It's the story of how he joined our family. I do not want to give away the whole story!

How did you get a squirrel and dog to get along?

When I figure it out, I'll let you know! Peanut tries to ride Sparky like a horse. Sparky does not always like this. They quarrel from time to time just like a brother and sister would, but they always make up and get along.

What did Mama say when Peanut and Sparky wrecked the house!?

Ummm... No comment. Actually I gotta go. Uhhh... Here comes Mama!

Check out the book for the rest of the story!

Peanut and Sparky is a gorgeous picture book for kids and children. It is excellent for beginner readers and also as a bedtime story. You and your child will fall in love with the creative artwork and the beautifully-crafted children's story. **It took over 100 days just to create these heartwarming illustrations!** We firmly believe in only the highest quality for an optimal reading experience.
