**The Darkness That Comes Before (The Prince of Nothing, Book 1)** R. Scott Bakker

Strikingly original in its conception, ambitious in scope, with characters engrossingly and vividly drawn, the first book in R. Scott Bakker's Prince of Nothing series creates a remarkable world from whole cloth-its language and classes of people, its cities, religions, mysteries, taboos, and rituals-the kind of all-embracing universe Tolkien and Herbert created unforgettably in the epic fantasies The Lord of the Rings and Dune. It's a world scarred by an apocalyptic past, evoking a time both two thousand years past and two thousand years into the future, as untold thousands gather for a crusade. Among them, two men and two women are ensnared by a mysterious traveler, Anasûrimbor Kellhus-part warrior, part philosopher, part sorcerous, charismatic presence-from lands long thought dead. The Darkness That Comes Before is a history of this great holy war, and like all histories, the survivors write its conclusion.
