Brett and Kady's parents were in love. Unfortunately, so were Brett and Kady...

When their parents married, they knew that to entertain any thoughts of being together was hopeless. Brett and Kady had tried very hard to remain aloof and unconnected, and now they were forever doomed to be apart. Or were they?

On the rare times they saw each other, Kady couldn't help her **forbidden attraction** to Brett's muscled, athletic body. She ached to drown in his beautiful blue eyes, and feel his passion as he made love to her. Brett was also madly torn by his intense feelings for Kady. He knew she was not available to him, but his need fought against his strong will...and his emotions were winning over against sound judgment!

When Ted and Sarah married, Kady and Brett realized that their own dreams were now crushed and beyond reach. But then, Brett's business success propelled him to the upper echelons of the rich and famous, where things took a decidedly unusual turn.

Follow the **erotic romantic adventures** of these two very different couples, as **their world is suddenly turned upside down**, as they try to figure out what is right, wrong, forbidden or even allowed!
