Women are starting up businesses at a faster rate than ever, but less than half of them are drawing an income from their business. How do we help women become more successful as entrepreneurs? In CATAPULT: A woman's Guide to Building a 7-Figure Business, Abbie Widin, business coach and speaker, helps women discover the steps that 7- and 8-figure women business owners have taken to make their businesses a success. The mindsets that make you successful as coming out of college or as an employee do not guarantee your success as an entrepreneur. And the mindset that gets you to your first level of success isn't sufficient to take you further. Abbie unlocks the mindsets and actions that you need to Catapult Your Business. She challenges you to:

- Connect to your purpose and have your purpose align with your business.
- Take Total responsibility. You can't give up, and you need to take responsibility for your business model, the size and the structure of your business.
- Have a Vision and be Willing to Triple It! You also need to figure out who to share that vision with.
- You Will Be Personally Challenged. Surround yourself by an environment that supports your transformation and growth.
- Recognise that fear and doubt can be overcome. Develop strategies and resources to continue moving through and past fear. Be visible where they might not otherwise.
- Money is an energetic reward for your efforts. And to become more skilled at attracting money, practice not only your mindset, but also your practical skills.
- Time and team were the keys to your leverage. As your business grows, you can't do everything yourself, you simply cannot continue to grow your impact without breaking! With these success principles, you will have the mindset tools and practical strategies that will let you set a direction for your business and have the courage to carry through and see your vision come to life.
