Historias de éxito. Modelos para reducir el abandono escolar de la adolescencia gitana (Spanish Edition)

Historias de éxito. Modelos para reducir el abandono escolar de la adolescencia gitana (Spanish Edition)

Esta obra es el resultado de la investigación sobre la situación de los gitanos y gitanas en las escuelas españolas, centrándose especialmente en Andalucía donde este colectivo es más abundante. El estudio ofrece un modelo de intervención para ayudar a prevenir el abandono escolar de la adolescencia gitana. El colectivo gitano representa la principal minoría étnica de España y continua siendo una población desconocida, estereotipada y con claros signos de discriminación en los procesos de acceso y éxito escolar, educativo y profesional. Este libro pretende ayudar a comprender los diversos factores sociales, escolares y comunitarios que influyen en el éxito o el fracaso académico de la minoría gitana. La mayoría de los gitanos y gitanas permaneció total o parcialmente ajena al sistema escolar público o privado hasta 1980, siendo el absentismo, el analfabetismo y el fracaso escolar los problemas más frecuentes. Sin embargo en las últimas décadas se ha producido la casi completa escolarización en el período de enseñanza obligatoria y gratuita (de 6 a 16 años).
