**"Uhhh!!" I called out as I came with Danny inside me. My pussy clenched onto his digits, squeezing pleasure out of every wave. My orgasm seemed like it would never end as I came for longer than I ever had before.**

**Overprotective. Overbearing. But alluring as hell.**

These are all words that describe Jane's m\*m's boyfriend Danny, a man whose m\*ther cheated on his f\*ther repeatedly all those years ago. Danny would do anything not to have his favorite girl end up a **slut** like his m\*ther... and I do mean *anything*.

When Jane starts dating Tom, he's apprehensive about it, like any **man of the house** would be. It's not Tom whom he gives the "third degree", however, it's Janey. Each time she comes home from a date, Danny f\*rces her to submit to a **panty inspection**.

What is he looking for, exactly? Any evidence that the **seemingly pure** Janey is no longer as innocent as she claims.

What starts as a panty inspection quickly escalates to a **full-blown pussy exam**, and Danny's got **\*\*just the tool\*\*** to get the job done.

**WARNING: This controversial steamy story contains graphic depictions of taboo lovin' between an 18-year-old "good girl" and her m\*ther's well-meaning, well-hung boyfriend. It's to be enjoyed by those 18 and over.**

EXCERPT:

I shook my head no, sobbing.

"Please don't make me show you, Danny. Please."

"Janey, either you take off your panties, or I'll take them off for you," said Danny as he eyed me up and down, licking his lips. He had this special glint in his eye when he settled on my pantied pussy.

I took a deep breath in, then grabbed onto my feminine underthings and scooted them down. I worried about what Danny could be thinking as I revealed my nearly bare pussy inch by inch. *Would he accuse me of being a harlot for having a naturally girlish mound?*

I could feel the heat from Danny's stare penetrating my crotch. I'm embarrassed to admit, but it actually kind

of turned me on. **My Danny was a handsome man, so if I was going to put my pussy on display for anyone, I was glad it was for him.**
