AL CAPONE, JOHNNY TORRIO AND VIRGINIA – Dangerous Angel [Kindle Edition]

© Sten Nordland (Author)

Al Capone's city was spelled CHICAGO ... Chicago was like a lustful woman waiting to be seduced, and Al Capone wouldn't lose his erection until she lay at his feet begging for mercy ... It wasn't a question of desire – it was rape, plain and simple.

Al Capone, Johnny Torrio and Virginia – Dangerous Angel portrays a sexually charged and violent historical perspective about an innocent, angelic young girl (although not that innocent) infiltrating the power structures of the most dangerous gangs the world has ever seen – ending up wealthy beyond imagination.

Get ready for an uncompromising gangland thriller during Prohibition in America, where the rules of the street replace the rule of law and set the scene for a "Dangerous Angel" ... and keeps you awake at night.

"It's a lot easier to get what you want with a gun in your hand."

Al Capone

'If there's a thriller author beating Nordland, please tell me.' (Paul Gailer – Literary Critic)
