**Dombey and Son (Charles Dickens Collection)** Charles Dickens

Dodo Collections brings you another classic from Charles Dickens, 'Dombey and Son.'

*Dombey and Son*, Charles Dickens's story of a powerful man whose callous neglect of his family triggers his professional and personal downfall, showcases the author's gift for vivid characterization and unfailingly realistic description. Dickens's genius is at one with the genius of the form of the novel itself: Dickens willed into existence the most capacious and elastic and versatile kind of novel that could be, one big enough for his vast sentimental yearnings and for every impulse and fear and hesitation in him that countervailed those yearnings too. Never parsimonious and frequently contradictory, he always gives us everything he can, everything he's planned to give, and then more.

Charles Dickens was an English writer and social critic. He created some of the world's best-known fictional characters and is regarded as the greatest novelist of the Victorian era. His works enjoyed unprecedented popularity during his lifetime, and by the twentieth century critics and scholars had recognised him as a literary genius. His novels and short stories enjoy lasting popularity.

Born in Portsmouth, Dickens left school to work in a factory when his father was incarcerated in a debtors' prison. Despite his lack of formal education, he edited a weekly journal for 20 years, wrote 15 novels, five novellas, hundreds of short stories and non-fiction articles, lectured and performed extensively, was an indefatigable letter writer, and campaigned vigorously for children's rights, education, and other social reforms.

A prolific 19th Century author of short stories, plays, novellas, novels, fiction and non-fiction; during his lifetime Dickens became known the world over for his remarkable characters, his mastery of prose in the telling of their lives, and his depictions of the social classes, morals and values of his times. Some considered him the spokesman for the poor, for he definitely brought much awareness to their plight, the downtrodden and the have-nots. He had his share of critics, like Virginia Woolf and Henry James, but also many admirers, even into the 21st Century.
