Wendy's little sister is good at everything—especially being annoying

Katie is always good at whatever she tries and everyone adores her. Everyone except Wendy, that is. Just once, ten-year-old Wendy wishes she could outshine her little sister. When she gets a chance to take horseback riding lessons, she plans to prove to her family that she is the best at something.

But it's not long before Katie decides to steal Wendy's thunder by taking riding lessons herself. Soon, the two sisters are in competition again, and this time Wendy is not going to let her sister win. Can the two overcome their rivalry and become friends—or is being first more important?
