Daniel Martin John Fowles

A new trade paperback edition of "a masterpiece of symbolically charged realism....Fowles is the only writer in English who has the power, range, knowledge, and wisdom of a Tolstoy or James" (John Gardner, *Saturday Review*).

The eponymous hero of John Fowles's largest and richest novel is an English playwright turned Hollywood screenwriter who has begun to question his own values. Summoned home to England to visit an ailing friend, Daniel Martin finds himself back in the company of people who once knew him well, forced to confront his buried past, and propelled toward a journey of self-discovery through which he ultimately creates for himself a more satisfying existence. A brilliantly imagined novel infused with a profound understanding of human nature, *Daniel Martin* is John Fowles at the height of his literary powers.
