Minecraft - Diary Of A Misunderstood Herobrine – Castle Crashers**

Villains don't help people, or do they?

It's official – Herobrine has established himself as the most evil, most horrid entity within the village of Tauk. His only goal is to cause misery to his arch nemesis, Minecraft Steve, who fears him. Herobrine enjoys his job more than anything else – there is nothing more fun than terrifying the villagers and doing evil, bad guy things.

But then something happens that puts his villainous reputation at stake – a mooshroom asks him for help! Minecraft Steve, the mooshroom tells him, is going to build a new castle, right on top of the mooshroom's home. Herobrine insists that he doesn't care – why should he? He's a villain, this is of no concern to him! But the mooshroom begs him and despite himself, he wonders if he should help. After all, destroying anything Steve builds is his duty as a villain... right?
