## **Dream Horses** Hugh Mitchell

Can dreams really foretell the winners of the Kentucky Derby and the Super Bowl? One person who thinks so is author Hugh Mitchell, who for many years combined a career as newspaper reporter and copy editor with a passion for betting the horses based on dreams and psychic messages. In this memoir he traces the history of horse dreaming from an Irish journalist, a member of the House of Lords, to an English electrical engineer who was so successful that he named his house for a horse. Mitchell moves from Boston to the West Coast, which he finds more receptive to ESP research. He tries sports betting and is successful in three out of four major sports. While some researchers encourage his quest, the author himself worries about the ethics of using psychic ability for gambling. He sits in on healing circles in Berkeley and Boston and enrolls in a course on spiritual healing.

### From reader reviews:

#### **Lester Jaworski:**

Book is to be different for each grade. Book for children until adult are different content. We all know that that book is very important for people. The book Dream Horses ended up being making you to know about other knowledge and of course you can take more information. It is rather advantages for you. The publication Dream Horses is not only giving you much more new information but also for being your friend when you really feel bored. You can spend your current spend time to read your guide. Try to make relationship with all the book Dream Horses. You never really feel lose out for everything if you read some books.

#### **Eric Beckman:**

The actual book Dream Horses has a lot details on it. So when you make sure to read this book you can get a lot of gain. The book was authored by the very famous author. Mcdougal makes some research prior to write this book. That book very easy to read you can obtain the point easily after scanning this book.

#### **Charles Frye:**

This Dream Horses is brand new way for you who has fascination to look for some information because it relief your hunger of knowledge. Getting deeper you on it getting knowledge more you know or you who still having tiny amount of digest in reading this Dream Horses can be the light food for you because the information inside this book is easy to get by simply anyone. These books build itself in the form which can be reachable by anyone, that's why I mean in the e-book type. People who think that in book form make them feel sleepy even dizzy this book is the answer. So there is absolutely no in reading a e-book especially this one. You can find actually looking for. It should be here for anyone. So , don't miss this! Just read this e-book kind for your better life in addition to knowledge.

#### **Robert Denney:**

As a university student exactly feel bored to help reading. If their teacher expected them to go to the library as well as to make summary for some reserve, they are complained. Just minor students that has reading's heart and soul or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring and can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Dream Horses can make you truly feel more interested to read.
