Englishman's Hebrew Chaldee Concordance George V. Wigram

To explain very briefly the plan adopted, the work is divided into three parts: Part I contains, in alphabetical succession, all the Appellatives in the Hebrew and Chaldee Bible. Immediately after each Hebrew or Chaldee word follows the series of passages in which it occurs; with the quotations in the language of the authorized English translation, and in its order of books. Italic letters mark the word or words in English which correspond to the Hebrew or Chaldee word. The citations are sufficiently full, to enable any one moderately acquainted with the English Old Testament to recall the context. Part II is an Index showing, under each Hebrew and Chaldee word, the variations of the English translations. Part III is an Index, to enable the English reader to turn any English word into that which corresponds to Hebrew
