Escape of Marvin the Ape Board Book Caralyn Buehner

An ape has escaped from the city zoo! No, it's not Curious George. It's another charmer named Marvin, and he's celebrating his fifteenth year of silliness. This book was the very first collaboration for husband-and-wife team Mark and Caralyn Buehner, and their imagination and humor were already on full display. As gigantic gorilla Marvin manages to hide himself from the police on the subway, at the toy store, on the ferry, and at the ball game, the simple text and bold, funny illustrations are just right for this new board-book edition.
