How I Made My Husband Gay: Myths about Straight Wives Bonnie Kaye

How I Made My Husband Gay is a self-help book for women who learn or suspect that they may be married to a gay/bisexual man. Compiled, edited, and contributed to by Bonnie Kaye, M. Ed., the international expert in the field of straight/gay marriages, this book helps women by revealing the signs and patterns in their marriages that could be "Red Flags." There are 35 stories from members of Kaye's international support group who talk about those signs they initially missed, as well as how they were blamed by their gay husbands for the failures in the marriages. Kaye also has her women discuss ways that they "caught" their husbands, as well as how they started over after ending the marriage which she refers to as a "mis-marriage" or a mistake of a marriage.

About the Author:

Kaye has counseled more than 30,000 straight women and 2,000 gay men since 1984 after the demise of her own marriage to a gay man. She hits home the message that gay men have no "choice" in their homosexuality - but they do have a "choice" in being honest about it. She works with women to help them rebuild their lives after the end of their marriages, and strongly advocates divorce in an amicable way whenever possible.

Kaye consults for the major news media, and her website at www.Gayhusbands.com is used as a resource for shows including Oprah, Montel, and Tyra Banks. She has appeared on numerous national news shows including CNN and FOX News with her message that homosexuality does not belong in a marriage to a straight partner. Kaye is also a strong advocate for gay rights and publicly speaks about the need for society to accept gay people for who they are instead of fighting to change them into who they are not.

This is Kaye's fourth book on this topic. Her other books include *Is He Straight? A Checklist for Women Who Wonder*, *Doomed Grooms: Gay Husbands of Straight Wives*, and *Straight Wives: Shattered Lives*.
