Elder L. Tom Perry, a senior member of the Quorum of the Twelve Apostles of The Church of Jesus Christ of Latter-day Saints, is fond of describing himself as being "as common as dirt." Yet his life is uncommon by any standard. After spending most of his early years in his hometown of Logan, Utah, and additional years on a mission and in the military, young Tom Perry launched a twenty-year professional career that took him from his first job as an internal auditor in Boise, Idaho, to executive positions in retailing on the west and east coasts of the United States. Soon after his fiftieth birthday, he was surprised to be called as an Assistant to the Quorum of the Twelve. Not long afterward, President Spencer W. Kimball extended to Elder Perry the call to join the Quorum of the Twelve. Elder Perry has now served for forty years as a General Authority. For Elder Perry, the value of life's experiences is determined primarily by the lessons they teach. As the story of his life shows, his positive attitude has created positive lessons that we can learn from. He has lived a life of faithfulness to God, family, and country, and he continues to be blessed with faith-promoting experiences. This first volume of Elder L. Tom Perry's biography extends from his birth on August 5, 1922, through his marriage to Virginia Clare Lee, the births of their children, and his career in the world of retailing to the time of his call to the Quorum of the Twelve Apostles and the passing of his beloved Virginia. Uplifting and inspirational, this story of a remarkable man of faith encourages us to live better lives by drawing closer to God, selflessly serving others, and leading our families along the path of righteousness.
