Nameless Joe Conlan

Chilling and taut, NAMELESS, introduces a fresh and exciting twist on the deadly game of cat and mouse. By virtue of one impulsive and deeply human, but all too grave mistake, a good and decent man finds himself pitted against the embodiment of evil and threatened with losing everything and everyone he loves and values; including the pristine reputation he has endeavored all his adult life to establish. FBI Special Agent in Charge Daniel Falcone unwittingly steps onto course for a head-on collision with a frighteningly brilliant psychotic serial killer, whose harrowing childhood abuse and neglect left him devoid of humanity and salivating for revenge. Framed for a brutal murder on a commercial cruise ship, and fighting for the right to raise his sons and clear his name, Falcone races against the clock and struggles to keep his eyes on the prize, even while his profound guilt and self-loathing threaten to destroy him faster than his maniacal adversary.
