Emily Lindsay is six months pregnant, and stuck at home with a nursery to redecorate. Her feet and back ache constantly and she is looking forward to a long, soothing bath.

But Emily is about to receive an unexpected visitor, someone she hasn't seen for weeks, someone who is very welcome in her home—her fiancée.

With three days of company ahead of her, Emily is determined to make the best use of her very own Marine Sergeant, whether it be asking him to move furniture, putting up curtains, or finishing the decorating.

Alternatively, they could undress, bathe together, and recreate the intimate positions that ensured Emily conceived in the first place.

What is a lonely, hormonal, frustrated twenty-something woman to do when a handsome and super-fit fighting man walks back into her life?
