# Secret and Suppressed II: Banned Ideas and Hidden History into the 21st Century (v. 2)

## Secret and Suppressed II: Banned Ideas and Hidden History into the 21st Century (v. 2)

There are two ways of looking at the world:

You can take the mass media at face value and believe the world oscillates between the dumb-show of “left wing” and “right wing.” Or you can begin to question this national hypnosis.

The groundbreaking and now out-of-print first edition of *Secret and Suppressed* influenced many in the conspiratorial '90s, including Chris Carter and his *X-Files* movie and television series.

*Secret and Suppressed II*, brought out in time for the presidential election, presents a new set of revelations, rants, visions, and nightmares that illuminate the paranoid and nightmarish post-9/11 planet. Contributions include new material from highly regarded writers Jim Hougan (*Spooks*), Jim Marrs (*Rule by Secrecy*), and Richard Sauder (*Underground Bases and Tunnels*). This updated edition also features dozens of investigations assembled into four sections: “Mentide,” “Cults and Casualties,” “The Disinformational Plague,” and “The Elite Controllers.”

Editor **Adam Parfrey** wrote *Cult Rapture*, co-wrote (with Maja D’Aoust) *The Secret Source*, and edited *Apocalypse Culture* and *It’s a Man’s World*.

Editor **Kenn Thomas** co-wrote (with Jim Keith) *The Octopus: Secret Government and the Death of Danny Casolaro* and *Parapolitics: Conspiracy in Contemporary America*.
