Secrets Of The Shaman is a follow-up book to The Shaman Warrior, in which the author, Gini Graham Scott, a sociologist/anthropologist, describes her experiences in studying personally with Michael Fairwell, the shaman teacher she first met at a magical encampment. After she joined his group and studied with them in Northern California, as described in The Shaman Warrior, she met with Michael Fairwell and some of his students for advanced training in the L.A. area. The book describes how she participated in a variety of exercises and lessons, from working with altered states of consciousness and raising and manipulating subtle energies to working with intention and creating gateways into other dimensions.
