**WHEN THE BAD BOY ROCK STAR RIDES INTO TOWN . . .**

Kathy Carter has seen many things in her small-town instrument repair shop. But never has a dangerously hot, world-famous rock star pulled up on his motorcycle, needing his guitar fixed. Kathy's not surprised to find he's endlessly sexy, with a voice that would make any woman's heart melt. What she doesn't expect: he wants her bad.

Neil meets a lot of women who would do anything to be with him. Sweet, beautiful Kathy is nothing like them. She doesn't care about fame, and that's why he can't keep his mind-or his hands-off her. Yet once things start getting hot, Kathy pulls away. Soon Neil realizes that it's more than his life in the limelight that scares her. When the ghosts of the past make a guest appearance, Neil and Kathy must decide if what they have is forever, or if Neil is still a solo act . . .

*From the author of the beloved classic romance The Windflower, available for the first time as an ebook.*
