The Red Chamber Pauline A. Chen

In eighteenth-century China, the beautiful orphan Daiyu leaves her home in the provinces to seek shelter with her mother's family in Beijing. At Rongguo Mansion, she is drawn into a world of sumptuous feasts, silken robes, and sparkling jewels—as well as a complex web of secret rivalries and intrigues that threatens to trap her at every turn. When she falls in love with Baoyu, the family's brilliant, unpredictable heir, she finds the forces of the family and convention arrayed against her, and must risk everything to follow her heart.

Based on the epic *Dream of the Red Chamber*—one of the most famous love stories in Chinese literature—this novel recasts a timeless tale for Western audiences to discover.
