Blackbird Fly! A Mother's Story of Grief, Love and Hope Judy Beene Myers

In the early morning hours of Christmas Day, December 25, 2010 Judy Myers was awakened by her daughter, Carroll, frantically knocking at the front door. Once inside Carroll broke the unexpected and tragic news that her brother, Judy's only son, had died suddenly of a massive heart attack leaving a wife and two very young children. This book is an offering to those who suffer from grief over the loss of a loved one, particularly a mother's loss of a child. It is Judy's journey during the first two years following Grey's death taking the reader from that Christmas Day through Christmas two years later when the two families came together to celebrate the season and the life of a son, a husband, a father and a friend to many in a spirit of acceptance, joy and love.
