Crochet pattern booklet.

Skill Level Easy Beginner

Designed will fit the Nook Simple Touch or Nook Simple Touch GlowLight

This design was made to be easy and fast to make using 2 stands of yarn at one time.

I have several colors already made so I can change the cover as often as I change genres of what I am reading.

Once you get the hang of it you should be able to create your own cozy design to fit just about anything.

Look for my next Crochet pattern for the Kindle fire.

Although this is a project that can be completed in a few hours, take your time go slow Remember the fun is always in the process of creating a new project.

Happy Crocheting!
