Playboy Magazine September 1955. Marilyn Monroe on Cover in Swimsuit like outfit

Marilyn Monroe (born Norma Jeane Mortenson; June 1, 1926 - August 5, 1962) was an American actress, model, and singer, who became a major sex symbol, starring in a number of commercially successful motion pictures during the 1950s and early 1960s. After spending much of her childhood in foster homes, Monroe began a career as a model, which led to a film contract in 1946 with Twentieth Century-Fox. Her early film appearances were minor, but her performances in *The Asphalt Jungle* and *All About Eve* (both 1950), drew attention. By 1952 she had her first leading role in *Don't Bother to Knock* and 1953 brought a lead in *Niagara*, a melodramatic film noir that dwelt on her seductiveness. Her "dumb blonde" persona was used to comic effect in subsequent films such as *Gentlemen Prefer Blondes* (1953), *How to Marry a Millionaire* (1953) and *The Seven Year Itch* (1955). Limited by typecasting, Monroe studied at the Actors Studio to broaden her range. Her dramatic performance in *Bus Stop* (1956) was hailed by critics and garnered a Golden Globe nomination. Her production company, Marilyn Monroe Productions, released *The Prince and the Showgirl* (1957), for which she received a BAFTA Award nomination and won a David di Donatello award. She received a Golden Globe Award for her performance in *Some Like It Hot* (1959). Monroe's last completed film was *The Misfits* (1961), co-starring Clark Gable, with a screenplay written by her then-husband, Arthur Miller.
