The Boys on the Mountain John Inman

Jim Brandon has a new house, and boy, is it a pip. Built high on the side of the San Diego mountains by a legendary B-movie actor of the 1930s, Nigel Letters, the house is not only gorgeous, but supposedly haunted. As a writer of horror novels, Jim couldn't be happier.

But after a string of ghostly events sets Jim's teeth on edge and scares the bejesus out of his dog, Jim begins to dig into the house's history. What he finds is enough to creep out anybody. Even Jim. It seems long dead Nigel Letters had a few nasty habits back in his day. And unhappily for Jim, the old bastard still has some tricks up his sleeve.

As Jim welcomes his ex, Michael, and a bevy of old friends for a two-week visit to help christen the new house, he soon realizes his old friends aren't the only visitors who have come to call.

From reader reviews:

Theresa Pepper:

Do you among people who can't read satisfying if the sentence chained from the straightway, hold on guys this aren't like that. This The Boys on the Mountain book is readable by means of you who hate those straight word style. You will find the info here are arrange for enjoyable reading through experience without leaving also decrease the knowledge that want to deliver to you. The writer connected with The Boys on the Mountain content conveys thinking easily to understand by most people. The printed and e-book are not different in the content but it just different in the form of it. So , do you even now thinking The Boys on the Mountain is not loveable to be your top record reading book?

Earnestine Marcus:

Exactly why? Because this The Boys on the Mountain is an unordinary book that the inside of the publication waiting for you to snap the idea but latter it will surprise you with the secret it inside. Reading this book close to it was fantastic author who have write the book in such remarkable way makes the content inside easier to understand, entertaining technique but still convey the meaning totally. So , it is good for you because of not hesitating having this ever again or you going to regret it. This amazing book will give you a lot of rewards than the other book include such as help improving your skill and your critical thinking technique. So , still want to hold up having that book? If I ended up you I will go to the e-book store hurriedly.

Michael Spicer:

Your reading 6th sense will not betray anyone, why because this The Boys on the Mountain publication written by well-known writer who knows well how to make book which might be understand by anyone who read the book. Written within good manner for you, dripping every ideas and creating skill only for eliminate your own hunger then you still doubt The Boys on the Mountain as good book not only by the cover but also from the content. This is one guide that can break don't ascertain book by its cover, so do you still needing another sixth sense to pick this particular!? Oh come on your reading sixth sense already told you so why you have to listening to yet another sixth sense.

Lupe Holloway:

Is it anyone who having spare time after that spend it whole day by simply watching television programs or just laying on the bed? Do you need something new? This The Boys on the Mountain can be the reply, oh how comes? The new book you know. You are consequently out of date, spending your free time by reading in this new era is common not a geek activity. So what these books have than the others?
