The Unsolved Mysteries Of Star Wars Stuart Carapola

The Star Wars saga is perhaps the greatest in movie history, yet so many important questions about the Jedi and Sith, the Skywalker family, and the Force remain unanswered to this day. For example, when Yoda told Obi Wan "No, there is another", are we sure he meant Princess Leia? Who knew Darth Vader's true identity? Why did Vader sense that Luke was his son, but not that Leia was his daughter? And perhaps the most pressing question of all, what happened to Jar Jar Binks after the Fall of the Jedi?

The Unsolved Mysteries of Star Wars attempts to answer these and other mysteries that Star Wars fans have speculated on for decades...even if we probably weren't supposed to!

Bonus features contained in this book include:

- The bonus parody expose, Star Wars: Where Are They Now?
- Do Aliens Have More Interesting Things To Explore Than Space?
