Jennifer Stewart Miller

a fox appears: a biography of a boy in haiku Jennifer Stewart Miller

This collection of haiku poems follows a boy from his birth to school age, documenting and exploring the mysteries of a child's life. "Ever attuned to the inherent power of simplicity and a deep regard for the natural world, the haiku poems in Jennifer Stewart Miller's A FOX APPEARS are like the wingbeats of an angel slowed down in language that give portrait to the seasonal turns of a young boy's life. This masterful suite of poems is more than a collection of reminiscences; it's a philosophy of perception and beauty." -MAJOR JACKSON
