Different Children, Different Needs: Understanding the Unique Personality of Your Child Charles F. Boyd, Robert A. Rohm

Biblical parenting involves encouraging, exhorting, and empathizing with children according to their unique needs and character. This re-release of *Different Children, Different Needs* clarifies what the Bible means when it commands us to "train up a child in the way he should go" (Proverbs 22:6). It teaches moms and dads how to understand the personality God has given each of their children and how to tailor their parenting styles to meet their children's needs. Pastor Charles Boyd uses the popular DISC personality assessment model to help parents better recognize, accept, and appreciate their kids' temperaments.
