My husband's biggest fantasy? To see me ravished by three of his colleagues - at once.

Rob and Anya have a **wonderful marriage**, in the bedroom and beyond. They are more than husband and wife; they are best friends. But when Rob starts a new job, Anya notices changes in the man she thought she knew. Turns out that Rob's company has a peculiar corporate culture - one that includes associates and executives "**sharing**" their **wives** with one another.

The thought of Anya **cheating** on her husband in plain sight excites them both - all the more so when Anya meets Rob's coworkers, hot and ready to give her a boardroom **ménage** she'll never forget. Then there's Rob's rugged **older boss**, who wants to **take her hard** and **without protection**, in a way that Rob never has.

Rob loves the idea of watching his wife be shared and stuffed by his coworkers. But does Anya have what it takes to **cuckold** her husband and become the **hotwife** of his dreams? Together they've discovered a fantasy they never knew they always shared. All Anya has to do is let it become reality - if she dares.
