Loving Night: Dream Catcher Series ~ Book 2 Brynette L. Turner

Chaz took a desk job at the FBI to protect the woman he loves from the psychic connection that pulls her into the middle of his dangerous investigations. Yet, when he is forced to lead another undercover assignment, she must be the one to keep him safe. They think they understand how her predictive dreams work; but neither of them anticipates the way her gift is evolving. Nighttime dreams turn into daytime visions. Knowledge of what is happening with Chaz turns into an acute awareness of what other people are feeling. It's new. It's unpredictable. Neither of them understands these changes until an old enemy that she fears appears in new dreams. Paul Watkins still wants Chaz dead. As Chaz and Stephanie work more closely on this new dangerous mission, it's clear that there is no room for failure. They must bring this man to justice. With danger moving closer to home, the threat becomes greater than ever. It only makes Stephanie and Chaz more determined. No one will destroy the life they are building. No one will weaken their bond. Every night they spend in each other's arms only makes them stronger. But will they be strong enough to survive Paul Watkins and the evil that always surrounds him? NOTE: Although this is the second book in the series, it can be read on its own. The first book is Premonitions: Dream Catcher Series ~ Book 1. The final book, Heart Shadows, will be available in September 2015.
