Making Peace with Your Past is a support-group Bible study that offers practical, biblically based guidance to lead adults to identify, understand, and come to terms with the feelings and problems of growing up in a dysfunctional family. This course will help adults who grew up in a home in which one of the family members had emotional needs so strong that they disrupted the development of healthy relationships. Participants will understand problems from the past and identify and remove emotional, psychological, and spiritual barriers to fellowship with God. (12 sessions)
