Michael Jackson : What His Haters Don't WANT to KNOW ! Jacqueline Marie

I began to write this book " Michael Jackson: What his Detractors Don't want to Know " during the last summer. The emotion was for its height but as we perceived a lot of love for Michael, as his detractors burst out.

During his disappearance, many things shocked me. Numerous lies ...

An article of one of the most famous and serious French magazines, supposed to pay him tribute in July, 2009, ended in this sentence: " the world has just lost the biggest pedophile of every time" !

I then began to write, outraged to see where could go the ignominy ...

To have followed him during decades, I know for a long time that Michael Jackson was only the victim of the jealousy, the envy and the plot. It was evident that he was innocent. But the press, media joined forces against him in the only purpose to sell and benefit from their doggedness. They sold some blood, Michael's blood, to the price of the gold and for sure, grew rich on his name.

During this time, this exceptionally gifted artist fought against the insults and the collective lynching without ever succeeding in regaining prestige, still victim of doubtful jokes and eternal shameful insinuations.

A penal trial will not be enough to erase all this evil. "Scary Movie" always represented him in neurotic pervert !...

Never, I guess, Michael did bear this special treatment. But, never, I guess, no celebrity will be made dirty as well as him ...

Then, I wrote the truth on these scandalous events which started in 1993 and remain nevertheless attached to his name.

During months, I left this book aside, thinking that the passion of his detractors would eventually put out. But in every corner of Web, the disgusting comments continued to spread. The hatred is always long-lived although unfounded.

" Michael Jackson: What his detractors don't want to know " is an answer to all those who use free of charge these dirty scandals to be able to continue to offend. This book answers their wild imaginings that don't have sense anymore since June, 2005. And if their tongue is still well hung, it's really time to silence them once for all...
