Rough Magick: Anthology Francesca Lia Block, Jessa Marie Mendez

In *Rough Magick*, we have gathered together a collection of haunting, sometimes chilling, short stories and poems about the darker side of love and sex. Some of the stories are magical; some are more realistic and the “magic” comes through in language and lyricism. Some protagonists are teens and some are adults. There is romanticism and eroticism and even horror. What unites the stories is that the writers have boldly faced love’s shadows in unique and gripping ways.
