The Girl With The Killer Heels: A Tale of Sex, Violence, Shoes & A Stolen Chihuahua Martin Freddy Hansen

A London Chelsea Socialite IT Girl finds herself on the wrong side of the law after her part-time hobby working as an international assassin with a penchant for killing people with a modified Louboutin shoe goes badly wrong. She finds herself framed and arrested for the murder of an East-End Rapper by her ex-boyfriend who was posing as an MI6 agent in order to steal her entire trust-fund fortune right down to her prized large Louboutin shoe collection and pet Chihuahua. Released from prison by a genuine MI6 agent looking to track down her Ex, she sets off on a journey of revenge to recover her stolen life. Assisted by her mysterious new boyfriend on a thrilling chase across Europe, they quickly find themselves involved in a much bigger plot being carried out by Russian Arms Dealers leading to violent car chases, gunfights and the derailment of a entire train... The Girl With the Killer Heels is a fast paced, comical crime thriller about the perils of stealing a girls most treasured possession - her designer shoes.
