The Forge of Darkness (Darkness After Series) (Volume 3) Scott B. Williams

THE LIGHTS ARE STILL OUT AND THE DESTRUCTION AND DEATH IN THE WAKE OF THE COLLAPSE IS FAR FROM OVER Just as Mitch Henley is reunited with April Gibbs, a friend he'd never expected to see again, a new disaster befalls him and the others at the remote Henley farm. Suffering great loss, including death among their own, the survivors must regroup and start over with the little they have left. Nothing has been easy since the world changed overnight when a solar flare plunged civilization into darkness. Mitch Henley's skills as a woodsman have enabled him to prevail against great odds, but the challenges have never been greater than those he faces now. The Forge of Darkness is the third book in The Darkness After Series, set in the same desperate, grid-down world as the author's Pulse Series.
