### In this collection, you'll read:

- **Glory:** Housewife Carrie thought the cross-country family road trip would be boring as hell - but that was before she stumbled into a dirty, truck-stop restroom and discovered her first 'glory hole.' After her red-faced husband explained what one was, Carrie couldn't get the thought out of her head - and as the family camp at a truck stop overnight, she sneaks out to the dirty, isolated restroom to satisfy her curiosity once and for all.
- **Unprotected:** Sexy husband and wife Dominic and Stephanie are immersed in sexy power play. He's infuriated and aroused by her defiance - and she brattily acts out, because she craves his humiliation and name calling. But every boundary will be pushed, when Dominic takes his stubborn wife to an underground sex club, deep in the bowels of New York City. There, he'll give her to every man in the room - pushing her further and further, in a desperate attempt to make her crack. Tied up. Stripped. Degrading words scrawled on her in Sharpie markers - and then every man told to take her *bareback*.
- **Dare:** "I dare you." Three innocuous words that are about to change Heather and Joel's life forever. The husband and wife were at the RapRevue club in New York City for a very specific purpose - to make their fantasy of sharing Heather with a handsome black man come true. But when Heather makes the moves on a good-looking man sitting at the bar, she has no idea how quickly or easily everything is about to fall into place. With the words "I dare you" still ringing in her ears, Heather embarks on the wildest sexual encounter of her life - sharing a limo ride with this handsome stranger, and his equally sexy friend - while Joel eagerly watches.
