Her secrets could cost her everything...

Beautiful but penniless, Sarah Killian is forced to accept charity from her haughty London relatives in order to search for her long-lost younger brother. That search leads her to the sordid streets of Seven Dials, haunt of thieves and other criminals, where she discovers her young brother is preparing to take over the role of the legendary Saint of Seven Dials. To prevent him taking such a risk, Sarah decides to assume the Saint's mantle herself, at least until she can find gainful (and respectable) employment.

Lord Peter Northrup is more entranced by the lovely but mysterious Miss Killian than he has ever been by any other woman, but she is very careful of her secrets. When he delves beneath the surface he finds more than he'd bargained for—not only intelligence and courage, but a secret that could ruin him along with Sarah herself, should it become public. But perhaps love is worth the risk...

"A very talented author!" ~Kasey Michaels
